

NATIONAL POLICE WEEK
May 14-20, 2006

The Fauquier County Sheriff's Office is honored to participate in [National Police Week](#), a time set aside to consider the dedication displayed by every law enforcement officer every day. This is a special opportunity to respect, honor and remember all members of the nationwide law enforcement community, and to reflect on those men and women who have given their lives in service to our citizens.

The Sheriff's Office will observe the 25th Annual Peace Officers' Memorial Service. At this ceremony we pay tribute of two of our own officers who died in the line of duty.

[Sergeant Charles \(Chuck\) Murray](#)

July 9, 1990

We continue to lift our prayers for the families of these fine officers, as we remember their lives of service and their deaths of sacrifice. This is a time for reverent reflection as we consider the daily commitment made by every law enforcement officer to protect and serve the citizens and accept their own personal risk.

Sheriff Charlie Ray Fox extends an invitation to the public to come and join with us as we experience this memorial service and wreath-laying ceremony at 7 AM on Monday, May 15th, 2006 at the Adult Detention Center.
